

Dickinson Gators Play Grid Battle With Exes Tonight

Special to The News

DICKINSON, March 29—The Dickinson Gators wind up spring training with a football game against Gator exes at 8 p.m. Friday in Dickinson High School stadium.

The exes team will be made up of Gators, who have run out their eligibility but still attending school.

Most of the spring training has been devoted to adjusting the Gators to their new formations they will use next year. While in the past Dickinson has run from the T-formation, they will now work off the single wing and Y-formation. The Gators will test the new formation Friday.

With only eight lettermen returning from last year's team, Coach Nunnally had the problem of filling in the vacant spots with last year's junior high players. Lee Roy Vann, 230 pound tackle, and Bobby Hughes have shown up well in practice and will see a lot of action Friday.

While Paul White, a triple threat boy, will supply the spark in the backfield, he will receive help from two returning lettermen, Wayne Crowson and Bob Doty. Preston Bullard, Bobby Koster, Charles Chollett, James Tarpley, Mickey Kuhl, Red Stewart and Lee Roy Vann will do most of the playing on the line Friday.
