## *DHS students named to All-State Orchestra*

Three Dickinson High School students were named to membership in the All-State Orchestra November 28th.

Andy Bourgeois, clarinet; Janet Jackson, flute; and Beverly Thompson, percussion II were the only students named in

Region 17.

Statewide, of more than 1100 high schools, Bourgeois ranks in the top eight clarinets; Jackson in the top eight flutes; and Thompson in the top four percussion IIs.

"I'm so proud of these students and their accomplishments," said

DHS band director Don Owens. "In a competition like that, you have to have real talent and real discipline to achieve such distinction. These students have both, and I'm delighted that the judges share my opinion of their ability," he said.
