

**BEAUTIFUL CLUB AT WEEKLY MEETING—**Pictured are members of Dickinson High School's "...And Beautiful" school club which was formed shortly after school opened.

## **School Service Club Forms**

DICKINSON—Dickinson High School saw the formation of the "And Beautiful" school service club shortly after school opened, which has grown weekly in purpose and membership.

Denise Scott, junior varsity cheerleader, and spokesman for the club stated, "All club members are black, and they

are beautiful." She added that one's skin color is not a requirement for membership. To qualify for membership students are required to maintain at least a "C" average, and be sincerely interested in the club's purposes which are to serve the school, the community, and to establish pride in black cultural background.

The club has plans to participate fully in the annual Empty Stocking Fund and Toy Raising Project for Christmas; as well as place trash receptacles in the school parking lots, corridors, and outside areas. Projects to meet the needs of the community and school will be undertaken throughout the year. Sponsors for the club are Robert Johnson, and Mrs. Klemit Scott.
