

AUGUST 24, 1924.

The next term of the Dickinson public schools will open on Sept. 15, with the following corps of teachers: Superintendent, L. L. Porter; principal, Mrs. L. L. Porter; high school teachers, Mrs. Bertha L. Jacobs, Miss Leo Nesbit; grade teachers, Miss Bucla Owens, Miss Nell Britt, Miss Della Monroe, Mrs. Virgle Skinner, Miss Lella Owens.

The Dickinson High School is now affiliated with the state university and all other first-class schools and colleges in the state and graduates from this school now can enter all or any of these schools without an examination. Dickinson, with the Ball High School at Galveston, and the Texas City High School, are the only schools now in Galveston County so affiliated and pupils from the grade schools in the county have quite an advantage in coming to the Dickinson High School, as they can after graduating here enter any of the state institutions without an examination.
