Dickinson, Tex., March 19.—The first grade boasts an increasing class. A new pupil by the name of Dorella Hickey has entered.

If some of the art students were to visit the third grade classroom they certainly would envy the little folks' sense of taste, because they know their art. They're making ready for that old Easter rabbit that is soon to appear. The papers that they have up are very interesting.

The fourth grade is not to be outdone. They boast a new pupil, Mary Frances Hickey, and a roll as follows: Madeline Benolat, Mary Alworth, Shirley Benson, Kathryn Farrell, Ross Giambo, Mary Catherine Drees, Jimmie Lobit and James Lothrop.

Two more new pupils have entered school. They are Pearl Hickey in the seventh grade and Mike Hickey in the fifth grade.

High School News.

Due to the expert coaching of Mrs. Porter and the ability of the girls they won the volley ball game between Webster and Dickinson High Wednesday noon. Gladys Hardy displayed excellent work in putting the ball over the net, but it landed over every time in the opponents' territory and with the co-operation of the other girls Dickinson won with a high score. Gladys Hardy, Yvonne Koylek, Annabel Garner, Georgette Knight, Rosie Pollastrini, Steve Shosty and Ruth Drusa were among the outstanding players.

The boys' athletic work is getting into full swing, under the supervision of Mr. Porter and Mr. Belser.

The Dickinson High School boys played the "Goofy Gang" Wednesday evening after school. The "Goofy Gang" was victorious by the score of 7 to 2. Carona and De Pasquale led the attack for the "Goofy Gang." A. Ottwork pitched well for the losers. Hollingsworth and Lothrop came through with the extra base hits, a three-base one each for the high school.

Card tricks, performing dogs and monkeys held their own Wednesday afternoon. The last period of the day was turned over to an interesting show. It held the audience's attention from beginning to end, and when the little red-faced dummy lad was brought down by the clown to meet the audience, it showed remarkable skill by knowing that Miss Malone's name was Miss Malone. "How did it know?" was the question. There must have been a trick to it, but, nevertheless, high school pupils would like to know the trick when they attend classes.

Dickinson was host to all schools of the county Friday for the Inter-scholastic League contests.
