# Dickinson School Groups Receive New Uniforms

Special to the News.

Dickinson Tex., Nov. 2.—O. J. Baker, principal of Dickinson High School, reports that additional uniforms for the pep squad and band have arrived. R. R. Gillis, principal of the elementary school, took pictures of the two groups and of the football team and it is expected those pictures and many made by students will be used in the yearbook on which the senior class is at work.

Mr. Baker and Mr. Gillis extended an invitation to all parents to attend the assembly programs at each school every Friday at 11 a. m. Friday the elementary school had a Halloween program, and the high school's program was in the form of a radio program, which included a "Prof. Quiz" or "question bee."

All parents are urged to visit the schools during National Education Week and attend the special assembly program on that Friday.

National Educational Week will be from Nov. 10 to 16.
