

DICKINSON — Mrs. George Lindsay of 2713 Greenbrier, Dickinson, Texas, a native of Glasgow, Scotland spoke to 124 sixth graders about her native land.

She discussed the climate, the long summer days, school organization, uniforms worn at various schools, sports, principal industries, kinds of money used, etc.

Mrs. Lindsay brought books, pictures and British coins to illustrate her lecture.

At this time of year sixth grade students at Dickinson Elementary School are studying the countries of western Europe, the British Isles, France, the Netherlands, Belgium and Luxembourg.
