# Mainland SPORTS

BY SHORTY YARBROUGH

With the baseball situation practically over the spotlight is now turned on county schools who are now in the process of getting ready for the coming football campaign. The Texas City Stingarees are working on a twice-a-day schedule and the La Marque Tigers and Dickinson Gators are working out every afternoon. League City's Cardinals will not start until Tuesday. Texas City will be one of the favored teams in District 29-A, while La Marque will be making their debut in District 60-B six-man football league. League City will be playing its third year in 60-B and Dickinson will campaign independently among the six-man teams as the Gators under new Coach Clifford Breeding will stick to six-man football altogether this year.
