pering over from the 13. The Gators attempted to run over the conversion from a spread formation, but the try was scuttled.

Clear Creek struck back a min-

ute and a half deep in the third quarter to tie the score.

The Wildcats took the kickoff on the Clear Creek 33 and drove to a touchdown in five plays. The big gainer in the thrust was a 37-yard run by Charles Milligan, who later made the touchdown from 11 yards out. A run for the conversion failed.

Minutes later Hugh Simmons recovered a Milligan fumble on the Clear Creek 15. The Gators drove to the one, but had to yield the ball on downs as the Wildcats came up with a fine goal-line stand.

Hugh Taylor got the Wildcats out of the hole with a beautiful 45 yard kick to the Clear Creek 46. But then the Gators found themselves and started a march. This time it took the Gators seven plays to power 46 yards with Lee going over from the eight-yard line. An attempted run for the con-

version was stopped short of the goal.

Neil Fuqua recovered a Wildcat fumble on the Clear Creek 41 to set up Dickinson's next scoring drive. In two plays Eddie Hall went over for the Gators, but the touchdown was nullified by a penalty. Then Dale Campbell carried 31 yards to the two. A penalty moved the ball to the one from which point Lee scored to make Dickinson's advantage 18-6.

Hall ran over the conversion to up the advantage to 20-6.

With three minutes left in the game the Wildcats struck back. The drive started on the Clear Creek 34 and needed only two plays. Bobby Elliott scampered to the Gator 33. On the next play Milligan went the remaining yardage for the touchdown.

Hugh Taylor attempted a pass to Leo Landriault for the conversion but the aerial fell incomplete.
