## Will Come

## Back--Ford

"We'll come back" is the word from the Dickinson Gator head football coach, Bill Ford.

Talking about the season opener, the 24-0 loss to Angleton, Ford said "We have some young backs and fumbles really hurt and then on the other hand, Angleton has a dang good football team with 32 seniors."

Even with the 24-0 loss, Ford saw some bright spots, especially the defense, naming Ronny Dennard.

Allowing 24 points, he explained his praise for the defense.

"You see, we lost five fumbles, a blocked kick, and had a pass intercepted, all inside our 30 yard line.

"Angleton only had 125 yards total offense. In fact, they never made two first downs in a row," said Ford.

Looking for team leadership, Ford announced the election of tri-captains for the season rather than the usual picking of captains for each game.

Seniors Mike Robinson, Ronny Dennard, and George Brusard were chosen as the leaders three.

Robinson is listed as a 6 ft., 190 pound, wingback and linebacker. He has two varsity letters and was an honorable mention all - district performer last year.

Dennard, playing right guard

and tackle, lists 190 pounds, at 5 ft. 11 in. He made all - district last year and has two letters.

Broussard is the 6 ft., 190 pound center, also all - district with two letters.
