By JOE LEENEY

DICKINSON— Following a pair of District 12-AAA victories over Pearland and La Marque Lincoln on consecutive Friday nights, the Dickinson Gators will be taking a breather this Friday from grid-iron action due to an open date.

The next contest for the boys of coach Bill Ford will be on November 8 at 7:30 p.m. in Channelview.

In the Gators' recent victory over La Marque Lincoln, Ford used a different defensive alignment and had some new personnel in starting roles.

The Gator defense had Mike Mills and Randy Battistoni at ends, Mark Lussier and Tommy Godard at tackles, Edward Shavers and Clarence Hall at guards, Robert Gerasimowicz and Allen Welch at linebackers, John Palmer and Carl Woods at halfbacks, and Ted Roeser at safety.

Shavers paced the Gator tackle chart with 12 tackles, while Battistoni followed with 11. Palmer was next with 10, while Welch, Lussier and Mills were in on nine tackles.

The Dickinson defense was led by the running of Bobby Pawlik and Carl Woods, plus the passing of Raymond Young and the receiving of Lewis Little.

Pawlik rambled for 88 yards

on 22 carries and tallied one touchdown, while Woods picked up 76 yards on 7 trips and scored touchdowns on runs of 5 and 16 yards and via a 24-yard pass from Young.

Besides throwing the TD toss to Woods, Young also connected with Little on a 3 yard scoring pitch and ended the contest with 9 completions in 16 attempts for 145 yards.

Little had his third straight game of fine receiving, catching 6 passes for 84 yards and one touchdown. Against Alvin, Pearland and La Marque Lincoln, Little has caught 19 passes for 277 yards.
