Dear Jim,  
 I tried to find  
 an always place  
 to go. I might have been  
 very nervous to me and I  
 know it is only the beginning  
 of the most wonderful events of  
 your life. We have known each other  
 for a very short time but I feel as  
 if I've been there just as I  
 school life together. You know  
 how I feel & what I think so I  
 won't put it in something so  
 public as an annual. Anyway  
 annual to put it all down  
 and security that you kind  
 you are helping & remember  
 that I am always ready to  
 help with any problem  
 Always,  
 Jim

Junior High School Section

One of the most active figures in Junior High School is our Principal, Mr. Wilburn Hofheinz. Even with his many duties and responsibilities, he is never too busy to pause and talk or council with his students and teachers. These pictures below exhibit some daily occurrences in the Principal's schedule.

Above, we find Mr. Hofheinz engaged in some of the many clerical duties belonging to the Principal.

Below, Mr. Hofheinz discusses program plans with two ninth graders who will soon be in High School.
