DICKINSON HIGH SCHOOL
Dickinson, Texas

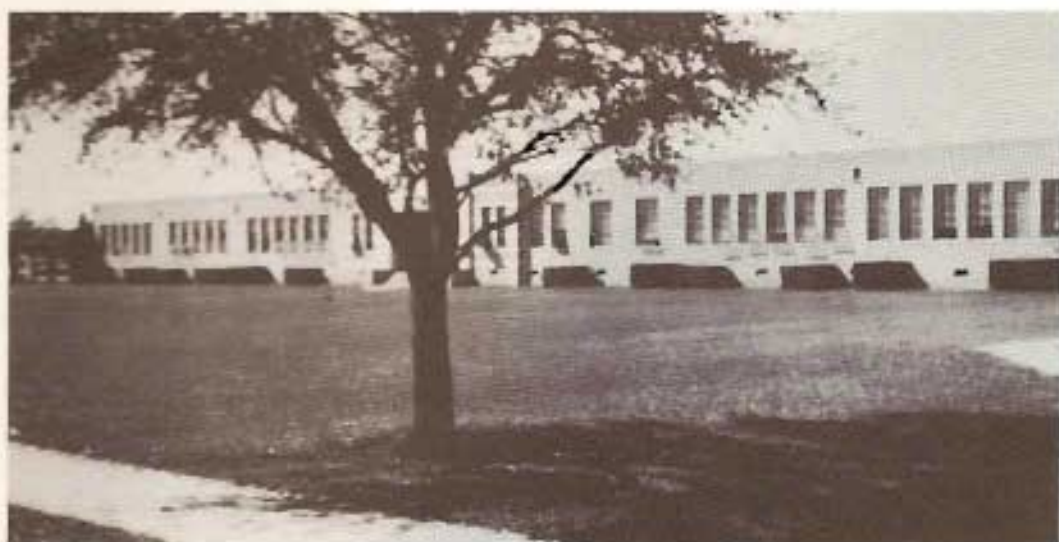

School Song

It's all for Dickinson's honor—
And for Dickinson's fame.
For the dear old high school,
We'll fight to win this game.
And when the day is done
We'll still go marching onward
For the Blue and White.
We'll ever be loyal to our Gator team.
Fight! Fight!

MR. FRANK CROCKER
Principal
Dickinson Senior High School

As the years pass all of us will, from time to time, turn to the pages of this book to refresh memories, to recall old acquaintances, and, more often than not, merely to reminisce. It is my sincere hope that as we reminisce, the school year 1961-62 will stand out as a year of outstanding academic accomplishments as well as a year of pleasant social activities.

We are extremely fortunate first, for being blessed to be born an American, and second, that as such, we live in an economy of free enterprise where, because of our talents, our abilities, and our education, we can rise to unlimited heights. I firmly believe that of these latter three, education is the most important because it is the process that brings into focus our talents and develops our abilities. My greatest desire is for each student at Dickinson High School to recognize the opportunities available to him and to take advantage of as many as possible.

I should also like to express my appreciation to the faculty and the students for their fine cooperative spirit and excellent work done this year.

Sincerely,
Frank Crocker
Principal
