## Number One! We won't forget '77.

We had barely opened our new office at 3545 Gulf Freeway during the Summer of '77 than we began hearing how good the "Gata" team was. We were not disappointed as they brought the AAA State Championship back to Dickinson. We were so proud of our Gators that we created a special billboard to salute them. We're glad to be here.

As the year began drawing to a close, our numerous victories and accomplishments caused us to realize that we would long remember this year at DHS. With defeats few and far between, our pride and certainty of success grew and grew so that . . .

. . . Seniors felt positive that they would reach all their goals, while underclassmen shared the assurance that they would more than fulfill their places as they moved up the ladder of DHS. Though no one knew exactly how successful next year would be, everyone knew that this year we more than earned our motto of "WE'RE #1!"

# Dedication

The GATOR Staff dedicates this yearbook to Mrs. Jeannette Gregory, a very special lady in whom we all have found a friend. Mrs. Gregory's smiling face, eagerness to help, time to care and bubbling school spirit has made this a better year.
