

Teaching government and history at DHS for 20 years, Mr. Frank Stansfield received his B.A. degree in history from Texas A&M and M.A. in education from the Univ. of Houston. Mr. Stansfield's interest in history and government has inspired his teaching.

Coach Jim Stewart graduated from Baylor Univ. and received his M.S. in education. He claims he's not really sure he's taught school yet, but he has been coaching and teaching at DHS for one year. "The food at lunch in the cafeteria" inspired him to choose teaching as a profession.

Coach Sandy Svalberg graduated from the Univ. of Texas with a B.A. degree in education. She has been coaching DHS volleyball for 5 years and added teaching Biology to her agenda just this year. "Coach S" chose teaching as a profession because she could incorporate her favorite interests into it.

Mrs. Kris Swearingen attended the Univ. of Texas where she received her B.A. in social and behavioral sciences. She has been teaching for 7 years. "I chose teaching because I enjoy history and this allows me to work in my field of interest."

Mrs. Judy Switzer received her B.S. in health, PE and English at Iowa State Univ. She has been teaching English for 12 years, yet only 1 year at DHS. She chose teaching because she enjoys young people and teaching others.

Mrs. Lois Thorson graduated from St. Olaf College in Northfield, Minnesota, receiving her B.S. degree in Home Economics. Mrs. Thorson teaches Homemaking I at DHS and has been here for the past 15 years. She chose to teach because she enjoys young people and says she has a lot of patience.

Mrs. Toby Toney recently joined our faculty to help teach American history, speech and debate. She graduated from Stephen F. Austin State Univ. with a B.A. degree, majoring in history and political science and minoring in English. Having previously taught for 13 years, she claims her primary reason for teaching is simply because she likes it.

Mrs. Charlie Van Jackson graduated from Texas Southern Univ. where she received her B.A. in mathematics. She has been teaching for 24 years, 14 of those years at DHS. During the past 14 years, she has taught Algebra III, Calculus, and Introductory Algebra III. "I thought I would enjoy teaching, and I do."

Coach Terry Vestal has been teaching for 19 years, 2 years at DHS. He attended Arkansas A&M College, receiving his B.S. in education. He obtained his M.A. in education from North Louisiana Univ. Coach Vestal chose teaching as a profession because of the "lucrative" salary.

Mr. Tim Wacker received his B.A. in education and his M.S. in PE athletic training from Wayne State College and Indiana State Univ., respectively. He has been the DHS athletic trainer for 3 years and also teaches health. Being involved with athletics inspired "Doc's" teaching career.

Mrs. Kristi Waggerman graduated from the Univ. of Houston at Clear Lake with a B.A. in English. She taught Correlated Language Arts II in her first year as a teacher. "I feel that each student should have the opportunity to learn how to communicate successfully in our modern society so that he may contribute something of himself."

Coach Dale Westmoreland received his B.S. degree in PE from Centenary College in Louisiana. He has been the JV head coach for football and the varsity head coach for baseball for the past two years. Coach Westmoreland chose to coach because "it's the closest thing to playing."

Mrs. Donna Wilcox taught Introduction to Speech, Group Communication, Debate and History. She was in charge of the speech and debate teams; however, she left after the first semester of this past year.

Mrs. Nancy Wilder plans to help prepare students for life after high school. In doing so, she teaches English I and II. She graduated from New York State Univ. at Oswego with a B.A. degree in English education. Mrs. Wilder has been teaching at DHS for 2 years.

Mr. John Wilhelm graduated from Southeastern State Univ. in Durant, Oklahoma where he received his B.S. in industrial arts and education. He has been teaching Drafting for 4 years at DHS. After retiring from the Air Force, Mr. Wilhelm chose to teach and returned to college after a 30 year "skip" to receive his degree.

Mrs. Deborah Winegar is presently enrolled at San Jacinto College where she is working on a degree. She has a cosmetology license and an instructor's license. She has taught cosmetology for the past 3 years. Mrs. Winegar enjoys the enthusiasm of young people and claims, "you can't beat the hours of a teacher."

Ms. Kathy Woods was the new theatre arts teacher this past year. She received her B.A. in French from the Univ. of Maine and her M.A. in theatre arts from the Univ. of Houston at Clear Lake. Ms. Woods finds a great deal of personal satisfaction in teaching students new concepts.

Mr. Roni Woods graduated from Hardin-Simmons Univ. in Abilene, Texas. He received a B.A. in Music with intentions of teaching choral activities. He has directed the choirs of DHS for 2 years now. His love for music and for association with young people inspired his career decision.

Mr. Oscar Woods attended Texas Southern Univ. He received his B.A. in industrial arts and his M.A. degree in education. Mr. Woods has been teaching for twenty-nine years, twenty-six at DHS. He supervises the Special Assignment Center students. "I was of the opinion then and still am today, that my services in the teaching profession will help people," Mr. Woods said.

## Library Staff

The Dickinson High School Library Staff including Dot Hill, Yvonne Grigg and Cynthia Bowen are very beneficial to the student body. They supply the students with books and check out supplies. The librarians were a big help to the seniors during research paper time. As Mrs. Grigg said "Working in a library makes me feel that I have a world of knowledge at my fingertips."

# Office/Special Services

These wonderful ladies always have their hands full. Mrs. Alta Cooper (far left) is the school registrar. Mrs. Jeannette Gregory (center left) is the counselor's secretary and bookkeeper. Miss Lezli Spruiell (center right) is the receptionist. Mrs. Leola McBride is Dr. Coppenhaver's secretary. These brief job descriptions do little justice to the amount of work these ladies undertake for everyone at DHS.

Mrs. Marsha Lassiter and Mrs. Vee Veasey keep themselves occupied in the attendance office.

# Custodians and Cafeteria Staff

The host of janitors pictured above are loaded not only with character, but also with piles of work. The messy student body keeps this group of cheerful custodians on their toes making DHS a cleaner, neater and much more pleasant environment. They perform a wide variety of tasks; including everything from sweeping out locker rooms and halls to cleaning off the trays and tables of the school cafeteria. These workers have been noted for such kind gestures as cleaning off cheerleader decorations and stray marks on lockers. Pictured from left to right: Ben Rios, Sylvia Basita, Ann Lowry, George Abraham, Lee Roy Woodard, Charles Mims and Roy Reese.

As important as the food in the cafeteria are the smiles from the ladies who serve it. Thanks to the quickness of the ladies behind the counter, students flow through the long lines relatively fast. They also make lunch more pleasant by keeping the cafeteria and snack bar clean so students can enjoy their meals.

Pictured from left to right: Shirley Thomas, Juanita Zunk, Shirley McErlean, Faye Light, Era Jackson, Doris Crowson, Ethel Hunt, Dorothy Edwards, Aurora Dunnbier, Hortencia Segura, Artie Trippodo, Virginia Salvato, Elizabeth Arnold, Inez Campbell, Grace Mason and Effie McGilberry.

# STUDENT'S

The students are the pride of Dickinson High School. We are especially proud of the seniors and the leadership they have demonstrated throughout this year. We are all very proud to be students of Dickinson High School, and try to uphold that pride not only in school, but in every aspect of our life in order to show our never ending "Gator Pride."
