**Bill "Nixon" Gurley** and **Nelson "Rockefeller" Skyler** announce their decision to run in the 1984 Presidential election.

With two years of experience behind them, the junior class has developed the spirit and attitude it takes to become a senior. Sneaking off campus at lunch for the first time and receiving their senior rings are a few highlights of the junior year. But what makes the class of 1984 unique is their quantity. From Algebra class and Chemistry to Polar Bear or the bridge, you will find a junior. They are everywhere!
