Artevia Napper

Q: What do you want people to remember about you?

A: That Artavia Napper was a hilarious, intelligent, nice and a beautiful person both on the inside and outside.

Q: What do you see yourself doing five years from now?

A: Actually working at a law firm as either a family attorney or as a criminal attorney.

Q: What are your pet peeves?

A: People that talk during important announcements and also people that smack their food...Lol.

Q: Do you plan to do after you graduate?

A: Attend the University of Houston

A black and white portrait of a young woman with long, dark, wavy hair and bangs. She is looking slightly to the left of the camera with a neutral expression. She has a small mole on her left cheek. She is wearing a light-colored, possibly grey, top. The background is a plain, light color.

(Ashley Vallin)

...to remember that I'm a good friend and will never do them wrong. Also, that I'm down for anything adventurous.

Graduation Ceremony

The end of the beginning...

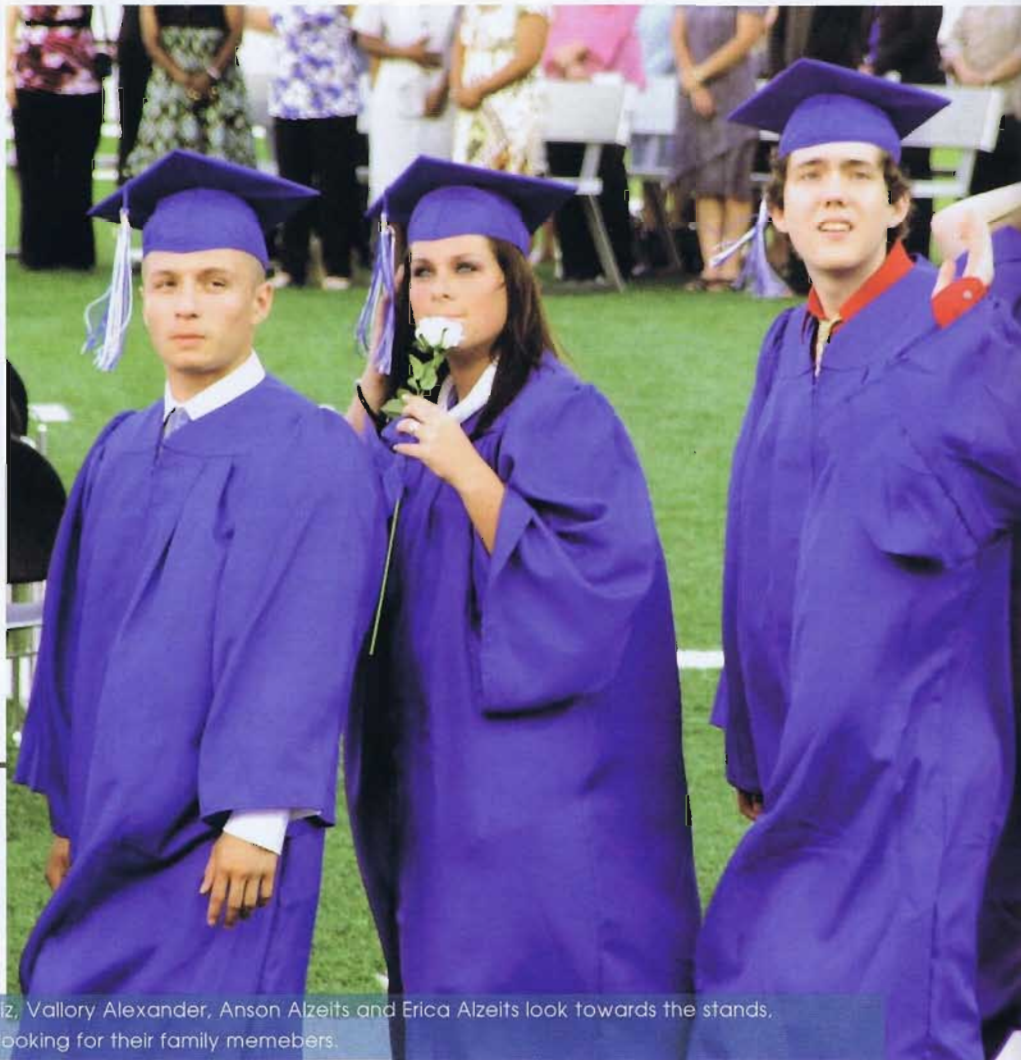

The class of 2008 was given an unforgettable graduation ceremony as a final goodbye from DHS. It was a bittersweet experience for all seniors as their favorite teachers called out their names as they walked across the stage for their diplomas. The night was topped off with an incredible fireworks show. Hugs were exchanged and tears were shed, but they all had come to the same conclusion: "we did it!". Congratulations class of 2008.
